This screening showcases videos from past Sex Worker Festivals as well as new work curated by COSWAS in Taiwan. **Memory of Mrs. Guan. A Celebrated Sex Worker- WeiFen Lin of COSWAS, Taipei (34 min. 2006 Taiwan)**

However, now what we will do, is to continue making efforts in completing Miss Guan's last will. Here we wish to speak more with visual images."

**Old Chicks: Bailan and her girls-Yann Shan Tsai (40 min. 2006 Taiwan)** When a sex worker falls into a coma... in the past, her work had consoled many lonely souls and their sexual needs. Her labor had supported her original family, and a group of stray cats in the alley. Thanks to the company of Collective Of Sex Workers And Supporters (COSWAS) and its volunteers, the story of Bailan is not just a stamp-sized news story and does not vanish in oblivion. Cinematography by Yann Shan Tsai, Hsu Yi-ying & Cheng Hsiao-ta.

## 10 PM Sex Worker Realism

### The Making of Gigi - PJ Starr (5 min. trailer 2008)

Downtown areas of the District of Columbia have almost completely transformed since the 1990s into 'clean' and 'quiet' safe havens for the bureaucratic classes. As the streets are sanitized, we are losing the vibrant street cultures of DC and the unwritten histories of sex workers and street folk will soon be forgotten. Gigi Thomas, a leading African American transgender sex worker rights activist, retraces her personal transformations with

film-maker and friend PJ Starr as they visit different neighborhoods to view the major landmarks of Gigi's life. Ethnographic film assistant Ryan Mahon.

**Street Survivor - Director Lin Jingjie; Producer Yann Shan Tsai, Left Motion Filmmakers Collective (21 min. 2006 Taiwan)** Beautifully filmed, Street Survivor is a precious portrait of a hooker and the cop who arrested her. **Postmatiks - kiddy drown (4 min. 2007)** A wicked animation of creatures Ms. drown has sow'n.

**Commercial Break - Billay Tania and Annie Danger (3:59 min 2007)** A totally radical channel surf through the killer waves of daytime television. And pills.

**3 Letters from 3 Schizophrenics - Margie Schnibbe (3:35 min. 2007)** a hallucinogenic psychodrama that is more akin to an acid trip than a sane and grounded reality. Computer-crafted animation with texts by friends and lovers, a frenetic exploration of love, abstraction and sexual compulsion.

**No Strings Attached - Gentry McShane (8 min. 2006)** Sid and Sam are two bored fags lounging around cruising Craigslist ads when they come across a pretty typical ad seeking STR8 Acting guys. Find out more about the back room of the brothel. A fictional narrative based on a true story that explores transformation, sexual disgust, envy and/or the pleasure of making money. Stars Takia Cash and Chastity Laws. Introducing Cherry Ripe Lee.

**Jaded Consumer Looking For Something More - Rhani Lee Remedés (35 min. 2007)** A glitter in the gutter fairytale about the quest for horny unicorny. Filmed on the streets of San Francisco, this visually stunning and perverted movie-ette follows 12 year old Spatty Tinkle (Chelsea Starr) on her neurotic prow for "something more." Among the cast of creeps include the narcissistic and lonely Prince, (Bronz of Gravy Train!!!), the hot fat hustler Helena Smith (Fabulous of the Sex Worker Fest) and the witchy creature preacher of the Unicorn Truth (Kiddy Kattle). Fucked up and gorgeous to the eye, pot smoke and mossy electric trees and unicorn. Don't Miss Your Chance To Be Touched By the Unicorn.
